

FAST, EASY SERVICE

Can I offer you a cup of really good coffee? With an Instant machine you can quickly and easily serve good-tasting coffee or a cup of hot chocolate. Instant is the name of a whole series of machines that offer a wide variety of drinks. All our machines are very easy to care for, which minimises handling. An Instant machine is suitable for any environment, and perhaps especially in places where you would not expect to be served a cup of coffee.

CHOCOLINO AND CHOCOLINO DUO

A small, compact instant machine for serving a cup of delicious hot chocolate. Chocolino is simple, easy-to-clean, fast, and it is perfect for all restaurant and institutional environments.

For its size, Chocolino has an impressive capacity of up to 160 cups per water refill. The Duo model can also serve hot water and comes with one or two canisters.

EMPIRE

A machine that gets noticed yet blends in with the environment it is placed in. Not least thanks to the unique profiling opportunities on the front of the machine.

The machine has 2-4 ingredient canisters, depending on the model, which make up to 7 different drink alternatives. Empire has automatic water refill, a simple cleaning program and adjustable coffee strength.

CAFÉLINO AND CAFÉLINO DUO

A small, compact instant machine that makes a good cup of coffee in just 10 seconds. The perfect machine for a small workplace, shop, etc. Available with 1-2 ingredient canisters for 2-4 drink alternatives. Both models have automatic water refill, and Duo also dispenses hot water.

CAFÉ ELITE

A fast and flexible machine for coffee and other hot drinks. 2-4 ingredient canisters provide a good selection of drinks. A nice looking high-performance machine that is easy to care for. Incorporated 5-litre tank with automatic water refill. The front panel is perfect for profiling. And with backlighting, Café Elite looks extra smart.
